

College Mentoring Program

texasexecutivewomen.org

Creates possibilities for young women, provide role models, spark the desire for a better life, and show them how to plan for a better life.

The Organization

Texas Executive Women (TEW) is an organization of professional female executives from many different professions and industries. We come together to network, share experiences and professional resources, and we are actively involved in the community. TEW also strives to support programs that recognize, develop and fund the advancement of young women in the community, our mentoring and scholarship programs among them.

Participants

We are seeking undergraduate college women with a Junior or Senior class standing, between the ages of 18 to 25 years of age, have a B average while enrolled in a university, and are committed to participating in mentoring activities, workshops and events.

Program Elements

TEW members are committed to creating programs, events and activities that will develop young women, provide career exploration and the opportunity to apply for a scholarship to support college completion. We provide the following program elements in an academic year.

Mentor Pairing

Workshops

Events

Scholarship

Application Process

A selection committee will choose 10 young women for the mentoring program. If you would like to participate as a mentee you are required to submit an application and relay contact information, college information, and future career interests via the organization's website. After participation mentee can apply for a TEW scholarship.
